

CUSTER SCHOOL CLOSURE EXTENDED  
Written March 24, 2020

The Governor extended school closures today. The Custer Schools will be shut at least through April 10. Just like earlier, all activities are canceled. The weight room and gym are closed to all activities. All Rebel games and practices are also suspended for this closure period.

Teachers will continue to communicate with you as we go forward about instruction delivery. We are adjusting and formalizing some of our plans to comply with orders from the Governor. These are hard times for the schools, students, parents, and businesses. We understand that stress has increased in the homes due to the closures. We are getting ready to roll out some more ways to help parents cope with the requirements of educating our students. This will include a Homework Hotline and some instruction by the teachers via Zoom. I would encourage you to talk to your child's teacher with any concerns you may have. All the emails are in a document called "Summary of Teacher Instructional Strategies" in the News Section of our webpage. If you call the school, we will also help you contact a teacher.

We also have a Board Meeting scheduled for Thursday. It is a virtual meeting that is also posted in the News Section.
