

ATTENTION:

Custer and Hysham School Districts will be holding a Child Find Preschool Screening for children ages 3 to 5 (who are not currently enrolled in Kindergarten). Children will be screened for:

- Social and Self-Help skills
- Speech and Language
- Motor and Thinking skills
- Health and Hearing

When: October 23, 2019

Hysham 09:00-11:00 am

Custer 12:30-02:00 pm

Where: Hysham School

Custer School

Call for an Appointment:

Hysham - Office 406-342-5237

Custer - Shari 406-856-4117

It is important to perform Early Childhood Screenings in order to identify possible health and developmental challenges in young children. It is recommended to have *ALL* children screened at least a full year before they begin kindergarten. The screening can often identify deficits in advance, which can provide us the opportunity to work with the children before they enter school.
